Multi-million Pound Investment transforms this 19th Century property

Part of an original Scottish Mansion the Landmark hotel is the perfect location for both the business and leisure traveler. A very special place to... Stay... Meet... Dine... Relax... and Celebrate.

Created especially for those who want more than just a bed for the night, The Landmark is a hotel that values the individuality of its guests. Offering a variety of bedrooms newly refurbished to the highest standard, a great choice of fantastic dining options and a team dedicated to exceptional service.

The Landmark is conveniently located off of the A90 within a short driving distance from Dundee Airport and train station. With complimentary on site car parking, it is equally perfect for local events or for events where delegates are gathering from Scotland's other major cities and regions.

With a choice of size and style of meeting rooms and acres of external grounds for team building, there will be the perfect space for your event. When you are not

working, you can relax in the Leisure Club, chill out in the bar or enjoy the most fantastic, freshly produced food wherever you fancy! But where ever you are, whatever you are doing you can be assured that you will receive the same excellent service standards. The type of service that you don't even notice...until later, when you sit back and think about how well it all went and your colleagues thank you for organizing everything!

The Landmark is perfectly located to explore the area and the vast array of attractions. The hotel's location offers an easy access to the city centre, airport and surrounding unspoiled Glens. Choose from Glamis Castle, R.R.S. Discovery, Verdant Works, Scone Palace, Sensation, Dundee Contemporary Arts, Caird Hall, Dundee Rep Theatre.

It could be argued that Dundee and the surrounding areas were created for Golfers, with a wealth of courses you will be spoiled for choice. For starters why not consider a visit to the hallowed links courses of St Andrews or alternatively the equally-famous Carnoustie.
